Please Note: Buyer’s I.D. Cards do not have to be renewed each year.

If the **applicant** has already been issued a Buyer’s I.D. Card, in order to obtain a new card, the previously issued card must be returned to this office with the application. If the applicant no longer has the card, attach a letter explaining why the card is no longer in possession.

If a dismantler fails to renew his/her license by Oct. 31, 2004 all buyer I.D. Cards for that dismantler are permanently canceled. After renewing a delinquent dismantler license, new applications for I.D. Cards are necessary for any valid Buyer’s I.D. Cards. If an individual, partnership or corporation changes form (e.g., if an individual incorporates the business), any Buyer I.D. Cards issued to the old entity are permanently canceled. After securing the new license, new applications for I.D. Cards must be submitted.
